

## **Takara Bio USA Shipping Methods Summary**

Orders for products shipped on dry ice to US addresses may ship by either Fed Ex Standard Overnight for \$35 (delivery guaranteed by 4PM the next day) or Fed Ex Priority Overnight for \$45 (delivery guaranteed before noon the next day) service. Some exceptions apply. Please see the details listed below or contact our Customer Service Department for additional information.

- Canada – All dry ice shipments are sent via Federal Express Priority Overnight service for \$60.
- Room Temperature Items (when purchased singly) are automatically shipped via Ground Service. For customers in the US, these items are shipped via Federal Express Ground Service and the charge is \$15. For customers in Canada, items are shipped via Federal Express Ground Service and the charge is \$35.
- Local Orders are shipped via Badger Cab.
